

Multinational Casualty Appetite Guide

Canada | Casualty

Offering

- Coverage for simple and complex risks in both retail and wholesale markets for WorldRisk® and Foreign Casualty, with few class of business exclusions:
 - Foreign Casualty provides global solutions for large Canadian-based customers' casualty exposures outside Canada including general liability, workers' compensation (EL and FWWC) and controlled master auto; program structures range from guaranteed cost to fronted captive programs
 - WorldRisk provides package solutions for small and mid-size Canadian-based customers' exposures outside Canada, including property, general liability, contingent auto, business travel accident, workers' compensation, employers liability, cyber, political risk, kidnap & ransom, crime and pollution; guaranteed cost coverage with a minimum premium of \$2,500
 - Worldwide controlled master programs including Canada, United States and countries outside of North America on one seamless program for all locally admitted policies and master difference in conditions (DIC) and difference in limits (DIL)

AIG Market Differentiators

Underwriting Appetite

- Broad underwriting appetite for most classes of business
- Program structures range from guaranteed cost to fronted captive programs

Multinational

- Committed to delivering world-class multinational expertise, solutions and service to clients in a globally consistent and seamless fashion through one of the largest global networks in the industry, spanning 215+ countries and jurisdictions

Risk Consulting

- Consulting services to advise clients on the potential hazards associated with employees working outside Canada in conditions specific to a location or assignment, and pinpoint loss drivers ultimately reducing the total cost of risk

Technology Platform

- Multinational Client Brief — program brief detailing customers' global footprint, nuances to operating in each country, and suggestions for program design
- MyAIG Client Portal — self-service client/broker portal with online access for program management
- IntelliRisk® — global claims dashboards and analytics provides fast, convenient access to basic claim and policy information which enables insureds to perform analysis of their loss activity
